Approvals:

Name _____

Title _____ Date _____

It is the Contractor's responsibility to verify all on-site building measurements and existing conditions prior to the start of fabrication.

Any discrepancy shall be brought to the attention of the Exhibit Designer prior to commencement of any work. It is the responsibility of the Contractor to identify any areas where s/he foresees concerns or problems which arise directly as a result of reviewing the design control drawings and estimating this project for fabrication and installation. These discrepancies or concerns shall be in writing and attached to the Bid.
